“Without a deadline, you could creatively avoid the work forever.”

“I didn’t always avoid writing—just the scary parts.”

“Fear often manifests itself through overindulgence.”

“When we look at what Jesus has to say about money, we see that living with excess is not our calling.”

“It’s not enough to say we believe in Christ; we need to act on that belief.”

“When the mission is clear, we can align everything in our lives to support it.”

“It’s easy to get so focused on the life we wish we had that we miss the blessings right in front of us.”

“The first step we can take toward loving ourselves is to surrender our lives to Jesus.”

“Don’t doubt the Designer. Don’t get ahead of Him either.”
